

## Resolution of Harris Township

By Kenneth Lindsay

Whereas, Harris Township was very well served by the efforts of Trustee C. Sue Dylewski for 28 years (1979 – 2006), including:

- being instrumental in the creation of Harris Township Park at Brummitt Road
- establishing the playground at the same park
- performing the duties of assessor in addition to those of trustee
- building two new fire stations
- hiring the township's first full-time paid fire chief
- managing a volunteer department, then instituting a paid fire department
- providing guidance toward creation of the Harris branch library.

Now therefore, be it resolved:

The Township Board of Harris Township hereby dedicates the playground of Harris Township Park at Brummitt Road in her name, with sincere appreciation.

So resolved this 16th day of November, 2019.
